Example

9 April 2018

```r
knitr::opts_chunk$set(cache=TRUE, message=FALSE, warning=FALSE,
                      error=FALSE, fig.cap = " ")
```

Some text about something interesting...

```r
x <- rnorm(10)
plot(x)
```

Some more text about the interesting something....

```r
y <- rcauchy(10)
z <- runif(10)
plot(y)
```
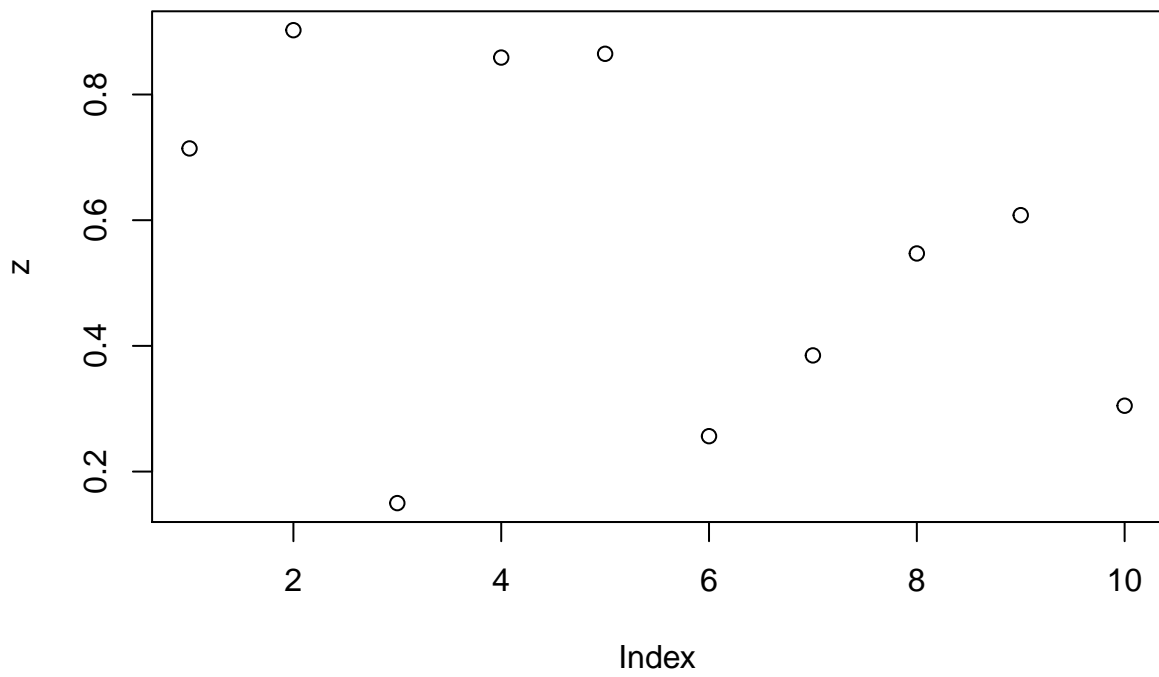

```r
plot(z)
```
